

Meadow Brook Math Pentathlon Club

What is the Math Pentathlon Club?

The Math Pentathlon Club is a math club that will meet weekly to play games that explore mathematical concepts such as problem solving, spatial and computational reasoning, and logical thought. The games we'll use from the Mathematics Pentathlon Institute (www.mathpentath.org) are enjoyable to students of varying abilities and learning styles. The students will be preparing for an academic tournament that emphasizes constructive competition. The focus of the weekly meetings will be on the pentathlon content, not classroom assignments or math tutoring.

When/Where are the meetings?

The club will meet Fridays 4:00-5:00 in the Media Center beginning October 26 and continue until the Math Pentathlon Tournament for your age group. (Meeting Dates will be emailed)
2nd/3rd Grade = March 23, 2019; K/1st = April 13, 2019; 4th/5th Grade = May 11, 2019

Who can participate?

The club is open to any Meadow Brook student. Space is VERY limited! Students are accepted in the order that registration forms **and full payment** are returned. Additional interested students will be placed on a waitlist and enrolled as additional coaches are available. If you would like to be a Coach, please volunteer! It will open space to more students AND ensure your child a spot!

How can I be involved as a Volunteer?

We rely on our parent volunteers. You must choose a way to volunteer in order to enroll.

Option 1) Coach: available to volunteer each Friday.

Option 2) Pentathlon Volunteer: at the academic tournament on 3/23, 4/13, or 5/11 (all day) AND at 2 meetings leading up to your event (January-March: a sign up will be sent at a later date). Also includes a mandatory tournament training on 2/27/19 from 6:30-8:00 p.m. at North Hill Elementary in Rochester Hills, MI. (All parents that are not Coaches will be required to volunteer as Option 2. This is not difficult as you will need to attend the tournament with your child for the day anyway).

What is the cost? Please make all checks payable to **Meadow Brook PTA**

NEW PANTATHLETES: \$92 (\$10 T-shirt, \$20 supply fee, \$20 club dues, \$42 pentathlon fee)

RETURNING PENTATHLETES: \$82 (waive t-shirt fee).

*Fee is refundable if student decides not to continue with the club, if requested before 11/2/18.

Who should I contact for more information?

Ferman Chavez at (248) 844-0893 or chavez@oakland.edu

Meadow Brook Math Pentathlon Club Registration Form – Due October 19

Student's Name: _____ Grade Level: _____
